

Stock Gift Transfer Instructions

We are delighted that you want to make a gift of appreciated stock to 1000 Friends of Wisconsin. A gift of stock provides significant benefits, including an immediate charitable deduction for the full market value of the stock and avoidance of capital gains taxes that would normally be due upon sale. Any long-term appreciated securities with unrealized gains (meaning they were purchased over a year ago, and have a current value greater than their original cost) may be donated and a tax deduction taken for *the full fair market value of the securities* — up to 30% of the donor's adjusted gross income.

To complete your gift, please follow the instructions below.
