Gregg May, Transportation Policy Analyst  
1000 Friends of Wisconsin

Dear Gregg May,

On behalf of the Wisconsin Department of Transportation (WisDOT), I would like to extend my sincere gratitude for your service to Wisconsin as a member of the Wisconsin Non-Driver Advisory Committee (WiNDAC). Over the past three years, WisDOT has benefited tremendously from WiNDAC's knowledge of non-driver transportation needs and eagerness to generate collaborative solutions. Thank you for your time and commitment toward making this statewide transportation initiative successful.

The committee has made significant strides toward improving non-driver transportation in Wisconsin including, but not limited to:

- Seven meetings of WiNDAC, which have provided outstanding advisement to WisDOT and shaped program and policy initiatives
- The creation of non-driver centered performance measures for the Transit Operating Assistance Program, which led to a WisDOT pilot program
- Improved non-driver planning through WisDOT's development of an ArcGIS Online application for use by regional planners, local officials, and mobility providers

WisDOT plans to continue the important work of WiNDAC and would like to formally invite 1000 Friends of Wisconsin to continue serving as a member organization of the committee.

We at WisDOT would be honored and privileged to continue working together to improve the transportation system for Wisconsin non-drivers.

Please provide your response to this invitation, or any questions that you may have, to Ryan Spaight by email at [Ryan.Spaight@dot.wi.gov](mailto:Ryan.Spaight@dot.wi.gov), or by phone at (608) 266-1322, and Ethan Severson by email at [Ethanp.Severson@dot.wi.gov](mailto:Ethanp.Severson@dot.wi.gov), or by phone at (608) 266-1457.

Sincerely,
