Opening remarks from our friend, Tia Nelson

For 30 years, 1000 Friends of Wisconsin has helped shape communities where people and places can thrive. From protecting our state's farms, forests, and natural resources to advancing smart transportation and housing solutions, our work has made a lasting impact across Wisconsin.

As we celebrate this milestone, we invite you to be part of the next chapter. Your sponsorship helps bring together community leaders, partners, advocates, and supporters to honor three decades of work in Wisconsin.

Interested? Email Trevor Roark (trevor@1kfriends.org) to secure your sponsorship. Sponsor by September 1 to receive the most benefit from your support.
